Meet Leigh, Your Candidate for Ajax!

Leigh is a proud member of the Ajax community and first became involved in environmental activism when she attended Dalhousie University in Nova Scotia, where she helped organize the community to protect the endangered wild areas in Guysborough County. Having grown up in Scarborough, she moved back to Ontario following her education and has been doing important professional work in the education community expanding access in the fields of science, technology, engineering, and math. Leigh also has extensive experience in the environmental movement in Durham, and worked successfully to lobby and implement the Rouge National Urban Park as well as protect the Duffins Wetlands from unsustainable and irresponsible development. Find out more about Leigh and her policy priorities for Ajax and Canada at leighpaulseth.ca.

Get Your Green Lawn Sign Today

The time is now to let your neighbours and everyone know that you support Green values. It is time to get more Green representation in Ottawa. Help your fellow Ajax Greens and Leigh by contacting the Ajax EDA and have a sign placed on your lawn.

Learn More About Annamie and the Green Party of Canada

The Green Party continues to work tirelessly to support the needs of all Canadians in this difficult time. Besides being the leader in pushing for more proactive and effective policies to drive Canada's response to the climate emergency and the ongoing Covid-19 pandemic, here are just a few of the important priorities for Annamie and the Green Party of Canada:

- Continuing the crucial support for the most vulnerable Canadians through the Canada Recovery Benefit (CRB) program, which the current government plans to end
- The creation of a Guaranteed Livable Income to provide real support for all Canadian families
- The creation of a Wealth Tax to keep money in Canada to fund necessary improvements throughout the country
- The decriminalization of drugs (and finding a safe supply) to help address the opioid epidemic
- Jobs for students
